Bow Valley Holds Regular Council Meeting

A regular meeting of the Council of M.D. Bow Valley, No. 219, was held in the Municipal Office, Strathmore, on May 11th, 1926, commencing at 10 a.m. All councillors present.

Authority was given to try and dispose of the Arsenic which is still on hand from the Grasshopper campaign, otherwise to ship it back to the Provincial Government.

Letter was read from the Deputy Minister of Municipal Affairs in which he advised that the Equalization Assessment of the farm lands of the Municipality was \$2,667,250.00, and the Hamlets \$240,00.00, and it was moved that this Equalized Assessment, subject to the additions and deductions made since 1924, be accepted by the Municipality as its assessment for all purposes until the date of the next quinquennial assessment and equalization.

Bridges were requested from the Department of Public Works at the following places between 14th and 15 22-25 W. 4th, and between 31 and 32 22-25 W. 4th.

The secretary was instructed to try and arrange for representatives of this Council to interview the C.P.R. officials when they meet the Deputy Minister of Public Works in the following: It was moved that the following appropriations be made for the various Divisions for the year 1926, and that such appropriations shown hereunder will include the credit balance of the Division referred to: Div. 1, \$1,500.00; Div. 2, \$2,500.00; Div. 3, \$1,850.00; Div. 4, \$1,750.00; Div. 5, \$1,750.00; Div. 6, \$1,850.00; but that such appropriations shall not include the amount to be spent to earn the Government Market Road Grant amounting to \$1,050.00.

The Mill Rate for 1926 was set at 4 mills on the dollar of assessed valuation.

School Mill rates were set as follows for 1926: Calamethi, 8, Turner 6, Harvey 4, Harwood 6, Newton 6, Oakland 8, Namaka 9, Orange Valley 8, Crowfoot 6, Dale Vale 9, Akenastad 8, Chandra 6, Fairplay 6, and Glenelg 12 1/2.

It was moved that two weed inspectors be appointed for the Municipality for 1926 duties to commence as soon as possible and to terminate July 15th, 1926. The Municipality to be divided into a Northern and Southern District with the Boundary north of a line drawn along the south boundary of the north two roads of sections 10 Township 22, Range 24, 25 and 26, and that J. B. Macdonald be inspector in the southern division and W. J. Miller be inspector in the northern division. The inspectors turning their own transportation and being paid at the rate of \$7.00 per day.

On motion it was agreed that a discount of 19% be allowed on all current School and Municipal taxes paid within 30 days from the mailing of the tax notices or prior to July 1st, 1926, whichever date is longest, and that a discount of 5% be allowed off all current School and Municipal taxes paid after the 15th discount period expires and prior to the 1st day of November, 1926; provided that no discount will be allowed unless all taxes shown on the tax notice be paid at the time that the discount is claimed.

The secretary was instructed to call for tenders for supplying power to operate 12 and 10 ton Aerial Lifting Wheel Drums. Tenders to be on the basis of running mile and to be in the hands of the secretary by 2 p.m. on May 18th, 1926.

New Brand Book showing the brands issued, renewed and reallocated for the years 1921, 1922, 1923, and 1924, was authorized purchased from the Dept. of Agriculture.

The secretary was instructed to write Mr. Stockton and remind him of his promise to ditch the road in the N.E. 33-23-24-W. 4th.

The Carleland branch was reported

as being in need of repair, and the secretary was instructed to advise Mr. Graham of the Dept. of Public Works to this effect.

Two Sawyer, Massey No. 5 Main engines were purchased for \$275.00 each on August 1st date.

Motion was passed requesting the Town of Strathmore to provide some private accommodation for out-of-town residents who do their business in the Town.

A number of bills were authorized paid. Adjournment was moved to meet on Tuesday, May 18th, 1926, at 2 p.m.

A regular meeting of the Council of M.D. Bow Valley was held in the Municipal Office, Strathmore on Tuesday, May 18th, 1926, commencing at 2 p.m. All councillors present.

Tenders were received from the following parties for supplying power to operate the 1926: C. H. Cowell, Chedoke; Contractors Ltd., Roseburg, W. Road, Rockyford; Chris Christen, Carleland; James Meyers, Bowell; J. L. Bove, Calgary; A. Campbell, Calgary and Edmonton; Ross, Manson. After considering the tenders submitted it was decided to accept the tender of C. H. Cowell at \$6.75 per unit for hauling two graders with a 110 hp. Case Steam Engine, and to sign a contract with Mr. Cowell to this effect.

Representative of the Salvation Army solicited the Council for a grant towards their Rescue Home. It was agreed to give \$100.00 towards this work and bylaw No. 53 was passed to authorize this grant.

Petition was received asking that Allowance between sections 31-25-25 W. 4th, and 32-25-25 W. 4th be opened and Messrs. Groves and McEwen be appointed a committee to investigate and act on this for the Council.

Mr. Chris Christensen was engaged as graderman on the 12 foot grader owned by the Municipality. He is to be paid \$5.00 per hour, while such grader is being operated under the contract with C. H. Cowell.

D. N. GARDINER, Secretary-Treasurer

Order of Elks

Organization work in the formation of the Elks Lodge which will be instituted in Strathmore next month is progressing very favorably, according to Tony McKinley, the Provincial Grand Organizer. The exact date of the big divisions will be announced next week.

It is pointed out that one of the advantages of belonging to the Elks is that the "Bills" as they are called, have a fine Club in Calgary, where a warm winter is always awaiting outside members who have lost the same rights there as city members.

Elks from all over the Province make the Elks Club their headquarters when in Calgary. Vulcan Lodge will likely be well represented at the Institution, here as Vulcan is not very far from Elks there are a particularly large bunch. Of course the same may be said of all thirty Lodges in Alberta—they are made up of live wires very largely. They make things so interesting and entertaining for their members that everybody wants to get into the bandwagon.

One of the surprising things that happen is that in every Lodge many men over the age when it might be supposed interest in Lodges had diminished, take a notion that they would like a little fun. It is not uncommon to see a father of fifty or sixty and a son around twenty joining the Elks together.

Fire at Strathmore

At 2:30 a.m. Saturday, the residents of Strathmore were awakened by the frantic ringing of the local fire alarm, and responded with such promptness that the home of Constable Tait was saved from being a total loss by flames.

Constable Tait was awakened by premonition in the early hours, and on flashing a light in the other rooms, discovered a smoke haze. He immediately rushed to the room of his young daughter, Edith, and carried her to safety. Within thirty minutes the flames had burst through the wall and ignited the pillow upon which the child had been sleeping.

Constable Tait states that if it were not for the prompt action of the townspeople that at that early hour, the house might have been completely gutted by the flames.

Mr. Tait can give no explanation of the fire, which originated under the front steps. He states that all rubbish, leaves, etc., had been removed, and the ground left clean. It was first thought that someone may have set fire to the premises, but later this idea was abandoned.

The fire insurance adjuster stated that the building would be put in shape again for about \$46.

The Gun Club

The Gun Club held their first shoot of the season, and as a good omen for future big scores Pete McLean pinned the first bird.

The members are very enthusiastic and looking forward to a most successful season. Max Barber was with a full quota of members.

The following were the scores made: Pete McLean 14, Archie McLean 10, Rexall Red 13, Matt Barber 20, Anton Pierson 22.

Hugh Miller 19, F. Ewing 13, Geo. Anderson 12, Jim Whitehouse 10, Anton Pierson 8.

Phil Sedan 10, Enrico 8, Jim Barnett 13, W. Blackwell 9, Leslie West 7, F. Ewing 15, Archie McLean 13, Pete McLean 12, Hugh Miller 15, Anton Pierson 21.

Rexall Red 9, Jim Barnett 20, Enrico 15, Leslie West 7, only shot at 10 birds; Phil Sedan 7, only shot at 10 birds.

BRUCE LAKES NEWS

Dr. Moore paid a visit to the school last week, and was very busy for a while examining the general health of the pupils. This school is full to overflowing, every desk being occupied.

All the farmers around here are at most finished seeding, and many fields are already giving promise of good yields; at least, let us hope so.

Mr. Scratch, of Irricana, is conducting Sabbath School in the schoolhouse every Sunday at 11 a.m. There is a good attendance, and all are invited.

Keoma is preparing for a real sport day of May 24th. Mr. White is running for football. There will also be baseball games, races, and probably a dance at night in the beautiful new hall, recently opened. Everybody welcome and a good time assured.

Mr. Dixon is living at the old place now, having moved out from Calgary in order to put in his crop. Mr. Dixon and family moved into Calgary after their home was burned last March.

Mr. Liddell has already marketed some of this year's chickens. This is certainly helping. Next.

This promises to be a good year for swine. One farmer in this district is said to have over ninety young pigs in his pen, and several others over fifty.

The seeds for the School Fair, which will be held in Kooma Hall this year, were distributed last week, and the children are watching their gardens anxiously.

Electric Light and Power Work

R. A. Brown, manager of the United Electrical Engineering Co., Ltd., in company which is to supply light and power to Strathmore, informs the Standard that he is already to shoot just as soon as the Hon. Alex Ross puts his O.K. on the plans that have been submitted to him for bringing the power from Gleichen to Strathmore.

If it was given in order under way promptly there is a possibility that the street lighting might be in use in time for the Stampede.

As there is an election approaching, the Bow River Government had better not hold up the work a single day longer than is absolutely necessary.

This might be a good time for one John C. Buckley, M.L.A., to take a friendly interest in the affairs of Strathmore, and whisper a few words, suggesting speed to Hon. Alex Ross. One thing sure, it will not lose any votes for him to give all possible assistance to the electrical company whose employees are now working at Lethbridge, and will be free to change their location very soon.

In the meantime there is nothing that Mr. Buckley's humble subjects can do but wait, watch, and pray for speed.

NAMAKA

Mr. and Mrs. Winspear of Calgary, formerly of Namaka, called on friends in town Saturday.

Garden Rehearsal Lodge, No. 55, held their first meeting on May 4, with a full attendance of the members.

Mr. and Mrs. D. Thomson, of Namaka Farm, are the proud parents of a boy, who arrived on May 12.

Mrs. Geo. Peterson and her eldest daughter, Bena, left Monday for a vacation in the Eastern provinces, among their relatives.

Mr. F. Watts has had his house that he recently bought, remodelled, and expects to soon take up his abode there.

A car load of dairy cattle was shipped to Namaka Farm during the week.

A baby arrived at the home of Mr. and Mrs. Wells, Namaka Farm No. 3, on the 9th; also a baby to Mr. and Mrs. Harden, Namaka Farm No. 1, on the 9th.

Mrs. Watts, Mrs. Wooster, and Rev. Mr. Rowe, attended the Presbytery meeting in Calgary on the 10th.

LANGDON

Mrs. M. C. Salson and children, of Calgary, spent the week end with Mrs. C. Craig.

H. Maxey, of the Union Bank staff, left Monday afternoon, for his holidays.

D. Jesse, of Kananaskis, visited with his parents, Mr. and Mrs. H. W. Jesse, several days this week.

Miss Kathleen Jernold, who is a student at the Calgary Normal, spent Saturday and Sunday with Miss E. M. Jernold.

Mrs. and Mrs. A. Heckle spent the week end in Banff.

Mrs. M. J. Fletcher, of Calgary, is a guest at the J. E. Fortin home.

Mr. and Mrs. R. Cowen are expected home this week.

Mr. and Mrs. H. L. Griffs left on Tuesday for a motor trip to Iowa and other points in the U.S.

Friends of Mr. and Mrs. John McKeachie and family sympathetic with them in the loss of their son and child, are watching their gardens anxiously.

Interesting Meeting of Town Council

A regular meeting of the town council was held on Tuesday night. Mayor Bell and all the Councillors except Mr. Shrimpton were present. The minutes of the last meeting were read and confirmed.

A letter was received from R. A. Brown, manager of the United Electrical Engineering Company, in regard to the light and power agreement, which he referred to the fact that the company were ready to proceed with the work as soon as the Department of Public Works at Edmonton grants permission to proceed along the right-of-way between Gleichen and Strathmore.

The council instructed Mr. Wears to write, urging upon the Department the necessity for quickly granting permission to the company to proceed with the work.

A list of the residents who are liable for payment of the minimum school tax was furnished to each of the councillors, for them to check up and see that none of the deserving had been unintentionally overlooked.

A deputation from the Cemetery Company, consisting of Messrs. Lambert, Black, and Vickers, were present, and reported the decision of the members at a regular meeting, to be unanimously in favor of the whole affair being taken over by the Town.

The Mayor and council were all in favor of doing so, provided that they can obtain the authority to do so from the Department of Municipal Affairs.

Mr. G. Jones was present, representing the Curling Club, who have had a most successful financial year, are insisting upon contributing to the revenue of the town, and humbly pray for the privilege of paying a rate for the land occupied by the club.

The council, after giving the matter their serious consideration, decided to grant the very touching appeal of the Curling Club, and a lease will be given for a period of three years. Mr. Jones left the meeting feeling very pleased with the consideration given by the mayor and councillors.

It was real deputation night, and the next one was from Bow Valley. The matter was presented by Mr. Wevers, who presented the claims of the people from the municipality for sanitary conveniences to be provided by the town. It was decided to take the matter up with the Bow Valley council, and see what might be arranged by working together.

The council instructed Mr. Wears to take action against all liable for license fees, unpaid upon May 31st.

The Mayor's grounds again presented the main body of the evening, taking up much time and with limited results from one cause and another.

However, the solicitor was ordered to prepare by-laws governing the nuisance grounds, which will make it practical to prosecute and punish those people who do not comply with the regulations.

Instructions were issued to find out who had recently deposited dogs, and who had been returned by the dog pound, and that they be summoned before the magistrate.

The Court of Revision will be held on May 24th, and all appellants have been notified by registered mail.

The Mayor was instructed to arrange for the necessary funds at the Royal Bank to carry on, pending the receipt of this year's taxes.

Mr. Springthorpe was appointed to collect the unpaid dog taxes, upon a commission basis.

A protest was received from Constable Tait, regarding the wording of the notice sent to him by Secretary-Treasurer T. M. Wears, in regard to the minimum school tax.

Mayor Bell said he did not see anything wrong with the notice, and that it was quite in order with the Town Act. Mr. Wears reported that he could

not write several letters about the tax, hence had mentioned the penalties in the first notice.

Mayor Bell: "These monies have to be collected, and very often those who register the most kids are the last to pay their taxes."

A resolution was passed requesting Mr. Joe Van Tighem to act as clerk and to organize a volunteer fire brigade.

A permit was granted to Mr. S. Hyde for his new residence in Hyde Park.

Chairman Bailey, of the Public Works Committee, reported upon the work being done on the sidewalks, which up to the present at a cost of five cents per plank.

Mr. Black was asked to make an estimate of the cost of the work required on the brick chimney on the Town Hall.

The U.F.A.

Plans for Campaign

Membership Drive May 25th

The United Farmers of Alberta have circulated all their local newspapers a membership drive, to commence May 25, and to be completed at the earliest possible date. Their object is to have every farmer in Alberta a member of the organization. Objection is said to have been made by some farmers to the U.F.A. taking part in politics, but those who feel that way should join, as the policy of the U.F.A. has always been determined by the majority of its members.

The U.F.A. has decided as an organization to take direct political action. They are convinced that the results obtained by the present U.F.A. Government during its five years of office show a great improvement over the previous system of Government.

U.F.A. secretaries are asked to get busy at once and call meetings of their locals to organize the membership drive. Women are welcome as members of the U.F.A., as well as the U.F.W.A. Those in sympathy with the U.F.A. though not actively farming, are being retained by an overwhelming majority if the facts regarding its administration are adequately presented.

Executive Appeals to People

The Executive Committee of the U.F.A. have issued an appeal to all members to subscribe to a special fund to carry on the necessary work of the campaign. As distinct from the old party system, the U.F.A. is dependent for the financing of all its activities on the contribution of its members. If it is desired to have a Government representative directly to the people, the election funds must come from the people.

The Executive have planned a campaign which includes a large apparatus for weekly and farm journal advertising. This, they feel, is necessary if the public is to vote intelligently. The present Government, fearful of being returned by an overwhelming majority if the facts regarding its administration are adequately presented.

KING GOVERNMENT HAS MAJORITY OF 13 ON BUDGET

OTTAWA—May 19—After more than a month of debate ending in an all-night sitting, the house at 4:05 a.m. tonight defeated the Conservative administration to the budget by a majority of 13. The vote stood: Against 121; for, 108.

An unusual feature of the division was that neither Premier King nor Arthur Meighen, opposition leader, cast a vote. Mr. Meighen was suffering from illness. Mr. King was paired with Mr. McPherson.

The Coupe

Color—Dark Blue with Tan
Interior—Black
Engine—Ford
Price—\$2,400

The Improved Ford Coupe

THE improved Coupe is a lower, roomier car with interior refinements and outward appearance that bespeak the really fine automobile.

The all-steel body, finished in dark blue with nickel-plated radiator shell and lamp rim, and mounted on the lower chassis, has given the motorist a car of rare distinction.

The seats and steering column are lower, providing greater leg room and an easier riding position. The front pillars are narrower, reducing the possibility of "blind spots." The doors are wider. There is a one-piece windshield, which, with the cost view, gives improved ventilation control. A padded panel is provided within the car, and the rear deck has been re-designed affording greater luggage space.

Provincial Taxation

How It is Raised and Applied.

A Per Capita Survey of the Situation. The Province of Alberta raises and spends about eleven and a half million dollars every year. That is a lot of money, so much that the ordinary individual, whose total yearly budget amounts to from two to ten thousand dollars, finds it difficult, if not impossible, to visualize the amount.

Nor will he receive much assistance from the various orators of all shades of politics, who will during the next two months, criticize or commend the expenditure.

Amounts in the millions, tossed from the lips of political speakers into the ears of their audiences, cannot convey any real idea of the cost of government.

But the ordinary individual can form some idea of the cost when it is reduced to a per capita basis.

The estimated income of the Province for 1926 is \$11,699,852. The estimated population of the Province is 430,000. Dividing the income by the population, we arrive at a per capita income of approximately \$18.56.

Little of this money (with the exception of the Supplementary Revenue Tax) is received by general direct taxation. The greater part of it is paid in return for services rendered, as in transportation, education, health, law administration, etc.

The Income

The principal receipts per capita are as follows:

Domestic Subsidy in lieu of natural resources, school lands, etc.	\$7.65
Liquor Act (sales, licenses, etc.)	\$2.61
Land titles, mothers' allowance refunds, succession duties, Becks, etc.	\$2.14
Supplementary Revenue Taxes	\$2.79
Wild Lands Tax	\$2.00
Educational Tax	\$2.56
Amusement Tax	\$1.81
Corporation Tax	\$1.81
Railway Mileage Tax	\$1.50
Gaming Tax	\$1.50
Auto Licenses	\$1.10
Agricultural (game licenses, fur tax, brand books, etc.)	\$1.00
Public Health (patrons fees, etc.)	\$0.42

These are the principal receipts, totaling \$18.57. The balance of the \$18.56 is made up of a number of minor items. The average taxpayer can figure from the above what he actually pays to the Provincial Treasury.

What We Get for the Taxes

The estimated expenditure for 1926 is \$11,677,962.23. This divided by 430,000 population gives an estimate of the expenditure of \$18.54 per head. Below are the principal items:

Public debt (interest, on railways, irrigation, drainage, buildings, provisions for sinking fund, etc.)	\$4.15
Executive council (1925 election, superannuation fund, inspection of mines, scientific research, etc.)	\$3.58
Expenses of assembly, (including members allowances 170)	\$3.58
Agricultural (grants to farmers, educational, prevention of pests, prairie, etc.)	\$3.58
Administration of justice, courts land titles office, protection of children, etc.	\$2.23
Alberta Provincial Police	\$2.23
Mothers' Allowances	\$2.23
Education (school grants \$1.80, university etc., technical, normal, examinations, inspection, blind and deaf children, etc.)	\$2.23
Public Health (hospital grants, administration, clinics, operations of mental institutions, etc.)	\$1.46
Public works (highways, market roads, bridges, ferries, upkeep public buildings, etc.)	\$2.18
The above sums represent \$18.57 out of the total of \$18.54.	

Where Can We Cut?

These figures should give the taxpayer a bird's-eye view of the revenues and expenditures of the Province. It will be seen that by far the greatest item is public debt. This is very largely due to the railways guaranteed by the Province between 1910 and 1915 and paying their way, with the result that the Province has to pay the interest. The Lethbridge Northern Irrigation system also accounts for a considerable sum in defaulted interest. The Province signed on the dotted line, and cannot avoid paying the interest now, though every endeavor is being made to turn the burden over to the Dominion or the railways, at the same time protecting the Province's interest of approximately \$2,000,000 in the railways. Then as regards health, education, agriculture, justice, etc., where are we to cut. We cannot have these without paying for them.

Capital expenditure has not been dealt with here, but will be taken up in a later article.

J. M.

ONTARIO HAS NEW SCHOOL ON WHEELS

The "little, old red school house" will travel on wheels in northern Ontario if the present plans being made by the Ontario government and the Canadian National Railways are completed. For some time the question of providing proper school accommodation for children at isolated points in the north has been receiving serious consideration by the provincial educational authorities and it is felt that the difficulty could be solved by having movable schools.

After giving the subject thorough consideration, the Ontario government decided that the requirement could be met by taking an ordinary Canadian National coach and refitting it as a portable school. By adopting this method, both the school and the youth of northern Ontario could make up some morning and find their school all waiting school in the near future.

S. J. Hungenberger, vice-president in charge of operation, has signified every desire to co-operate with the Ontario government officials in introducing this innovation, and it is probably that test trips will be made with the portable school in the near future. It is presumed that the Ontario government will supply all the necessary equipment, including the teacher. This does not commit the railways to definite policy in the matter of extension of territory or schedule after the test period is over.

ARDENODE

A very pleasing social function took place at Ardenode on Saturday, May 15th, it being the occasion of the tenth birthday of Master Wilfred Sharman. It was a gala day for the children and their parents of the district. A large party assembled at the store in the afternoon to wish Master Wilfred many happy returns of the day, and to partake of the many good things, so kindly provided by our genial hosts at the store. The afternoon was spent in playing games, in (repeated) with sunny lake cream, fruit, etc. till tea time. The tea table, contrived by the large and wonderfully decorated birthday cake, and surrounded by choice blooms of Opheelia roses and pink and white carnations, was a thing of beauty to feast the eye on, as well as to tempt the most fastidious palate. Wilfred was indeed a lucky boy, being the recipient of a large and varied assortment of beautiful gifts, the chief being the splendid cake made and presented by his talented and loving friend, Miss E. Barber, of Calgary, six o'clock, and the wall of the night by choral songs to a close one of the most successful and enjoyable evenings since the advent of the C.N.R.

Mr. and Mrs. J. Goshard were visited on the home of their parents over the week end.

Mrs. H. Tinney and Miss E. Barber were guests at the Sharman party.

Mrs. P. Withers was a visitor to Calgary for the week end.

What seedling is just about completed here.

HELP BUILD UP MANHOOD

Premier King is a great believer in preparation being made to help the young people into a better state of manhood when they arrive at that crisis in life. In a recent letter, commending the work of the Ottawa Kiwanis Club in acting as big brothers to the underprivileged boys of that city, he said:

"It must come as a revelation to many to know that there are such a number of professional and business men of the city who freely give their time and knowledge to teach these boys how they can play the game. I understand that the boys are taught first aid, manual training, woodwork and other useful occupations which enable the boys in positions of trust and assist the parents to obtain work. Hard work and continued efforts on your part and the co-operation of the other service clubs will in many ways build up a better future manhood in our city and throughout the Dominion."

PUT THE STAMPEDE OVER BIGGER AND BETTER

On Wednesday night the G.W.V.A. held a meeting in the Memorial Hall to complete plans for the carrying on the Big Stampede in July.

It is proposed to have the stampede conducted all afternoon, a big boxing bout in the evening at the skating rink, and a big dance in the Memorial Hall, which will furnish a day's sport and a pleasure that will be long remembered.

You do much to make the day a great success by keeping the stampede in mind, and in every letter you write, and every outsider with whom you come in contact, don't forget to extend them an invitation to be in Strathmore for this big event.

The G.W.V.A. boys are working hard to make this day a great success, first because they want to make good from a sporting standpoint, and secondly any profit over and above expenses will be used to liquidate the debt that is owing upon the hall, which is a burden that they should not be called upon to carry. Don't forget the Stampede for a single day. Keep it before your friends who will thank you for putting them in touch with a real days clean sport.

HELP TO GET LOWER INSURANCE RATING

Now that the electric have endorsed the electric light and power by law, the electric will no doubt be making arrangements to make use of the energy that the United Electrical Engineering Co., Ltd. have agreed to furnish for fire purposes.

Before committing themselves to any definite proposition, would it not be advisable if it has not already been done, to have a consultation with the representative of the Insurance Underwriters, and ascertain just what changes would be required in order that lower insurance rating may be possible, as soon as the use of gasoline has been discontinued in many places of business, and a larger number of homes.

As the Standard understands the question, a town is given a basic rate under certain conditions and for each hazard that exists a certain penalty rate is added.

Let us eliminate as many of the hazards as possible and try and save the greater part of the money that will be spent for street lighting.

It has been stated that a lower rate is not obtainable owing to the fact that there is only a volunteer fire brigade, but surely there are other things that may be done to lower the rate, and the Underwriters will only be too glad to assist.

It is at least worth while giving the matter the most careful consideration.

EDITORIAL NOTES

It is rumored at Ottawa, that Fighting Ned Macdonald, who has labored long and faithfully in the Grit vineyard, has reached the stage that he is entitled to rest and reward, and that the Nova Scotia vacancy in the Senate would just about fill the bill.

The council is requesting each employer to deduct \$4, the minimum school tax from each employee who is liable for this tax. Each employer is also liable to a \$50 fine who does not collect this amount from those who are otherwise assessed.

The big strike is over in England outside the miners section, after a cost to industry of \$100,000,000, and a loss to the strikers in wages of \$37,500,000. Surely sane people should be able to negotiate without paying such a penalty.

The rubbish about the yards is responsible for much of the difficulty in fly campaigns could be directed to their breeding grounds, this great health menace would be almost eliminated. Help destroy them before they arrive.

Pay as you go is said to be a sound business slogan, that it will keep the factories humming much more effectively than any tariff nostrums that may be hatched. You pay, and when you pay, pays the other fellow, and soon one of the other fellows who has been paid will pay you.

Leader Jos. T. Shaw attacks the Government upon its financial record and failure to reduce the burden of taxation, in the face of buoyant income from new forms of taxation. To secure a surplus under such conditions was, as Churchill said "to heroically burst through an open door."

Some of the Tories were razing Freddy Johnson, from Long Lake, who entered the political world as a Liberal, became a Unionist, moved over to the Progressives, and rose to the party whip, regarding which flag he was now sailing under. Johnson came back with the retort that was sure to be an Tory.

W. F. MacLean, M.P., is urging the amalgamation of the Canadian Pacific Railway and the Canadian National system. Pending this plan he suggests that the attitude of Montreal capitalists change toward the Canadian National that it might be necessary to change the headquarters from Montreal to Ottawa or Winnipeg.

The Elks in Calgary are giving away a fully equipped \$1,800 car as a prize at their carnival, while if the people of Strathmore attempted to give away a five cent Jewsharp Constable Tate would have the whole bunch in the blink. What the Standard can't understand or ascertain how 25 miles makes such a difference in the interpretation of the statutes.

The Summer examinations will soon be past history, and some of the boys will not return to school, but will seek employment. The first thing for him to do is to try and find what appeal to him most, and having made the decision, learn to do it well, and if possible, so where he can be taught to do his work scientifically. This is an age of specialists.

If you are 21 years of age and have resided in Strathmore for a period of one month, and have not been assessed on the assessment roll, you are liable for the minimum school tax of \$4.00. You better take this in time and go to the Town Hall and turn that amount over to one T. M. Wears, Esq., and avoid trouble. You will be glad when you see how pleased he will be to get it.

Hon. Mackenzie King was asked in the House of Commons if there was any truth in the rumor that Hon. Arthur Meighen might be the next Governor General. The Premier stated that he had understood that Mr. Meighen had inspirations in another direction, but that he would confer with the leader of the opposition. Mr. Meighen countered with the remark that he felt that Canada had assigned him another task last October.

The Hon. George Graham, as chairman of the new tariff board, claims that he is passing up any decided views that he has held in the past and will arrive at a decision after a full and impartial and thorough investigation, and endeavor to make Canada, through its fiscal policy, such a place that people will co-exist to here. That looks like taking up a man's job and yet some people will tell you what a shame some fellows have who slave for the Government.

4,000,000 POUNDS OF HONEY

Beekeeping in Manitoba has grown remarkably in the past few years. In 1925 there were 2,000 registered beekeepers in the province, owning a total of 27,270 hives of bees, the production from which was over 4,000,000 pounds of honey, worth \$416,068, according to a recent official report.

The Conference of the United Church will be in session in Edmonton, from Thursday May 19th until Monday May 24th. There will not be services at the three appointments on the Carleland Pastoral Charge on Sunday May 22nd.

Rev. PERCY JOHNSON

I knit some socks and put them in a box and sent them to my brothers two, then one to the cash, and said to my brother, 'For that's a job no wife should choose. I mend his socks at any time, so that wouldn't bring me in a dime. I've wondered what on earth he do. Was ever one in such a stew? At least a bright thought came to me. I wondered why it had worried me. Why should I not sell things to eat? For raising cash, that's hard to beat. And so some little things I made, And raised my dollar for the Aid. By selling these for hungry men: So here's my cash, and now, Amen.

Mrs. W. D. Fisher

LOCAL NOTINGS

After the death of Mr. Robert Inglis at High River, his relatives in the old country were communicated with, and a reply received from his brother asking that the burial be made at High River. Services were conducted by Canon Alexander in St. Benedict's Church, and the interment in Highwood cemetery.

On Wednesday, May 19th, Master Robert and Donald were entertained about fifteen of their little friends to a party in honor of their ninth and sixth birthdays.

Word has been received by Mr. Paul Bartlett of the safe arrival in Belgium, of his bride of a few weeks ago, after a very pleasant voyage. Mrs. Bartlett expects to return to Strathmore in the month of August. In the meantime Paul is a busy boy, putting on the finishing touches to the new home which he has been building.

Mr. Hagger, of Irvine, has arrived in Strathmore to take charge of the Robin Hood Elevator.

A band of gypsies landed in Strathmore, and the ladies did a rushing business on Sunday telling fortunes. They had located their camp very near Wall Street, but soon after their arrival there were complaints made to the police department, and the wandering fairies were requested to vacate, and they did.

A delightful bridge party was held by Mrs. Milson and Mrs. Brown at the home of the latter on Friday, May 17th, the honors being won by Mrs. T. E. Wright.

Mr. and Mrs. W. J. Thorburn, Grand Thorburn and daughter, and H. Thorburn, moved from Calgary on Sunday, and were the guests of Mr. and Mrs. Harry Thorburn at the Strathmore Hotel. W. J. recently met with a bad accident, when he fell and broke his arm. He was in Hospital for a few days only, but says it will be two or three weeks before he can again make use of the injured body.

Mr. and Mrs. M. S. Little were pleasantly surprised Monday evening, May 17, on the occasion of their high wedding anniversary, by a number of their friends. During the evening they were presented with a cake.

J. M. Arnold has purchased the machinery business of E. A. Sherman & Co., Blackie, and left for that place on Monday. Jack's many friends regret his leaving the district, but wish him every success in his new venture. He expects Archie Pearson to join his staff. In addition to machinery he expects to handle automobiles.

Mr. T. H. Eves, who resigned from the management of the Robin Hood Elevator to join the staff of the Massey Harris Co., has appointed an assistant in the Goose Lake district, and will make Munson his headquarters.

CHURCH NOTES

— 0 —

Mrs. H. R. Wooster, Supt. of Namaka Church School is a lay delegate from the Presbytery of Calgary to the Conference of the United Church at Edmonton.

Rev. Dr. Hueston of the Lord's Day Alliance spoke to interested congregations at Chedoke and Strathmore last Sunday. Contributions to this work of keeping the first day of the week for rest and worship amounted to \$50.

One of the most interesting events recorded in the history of the local Ladies' Aid was the "Experience Society" held on Monday night when the Ladies presented each the two dollars earned for the work of that Society during the last month, and when a delightful programme of music and readings was enjoyed by a good audience. Mrs. N. White gave a fine dramatic reading, and musical numbers of a high class were rendered by Mr. Lydiate, Esther Stockton, Florence Garrett, and Ariel Kennedy. Some of the Ladies gave the account of their labor in Rhyme and prose allows the production of only one or two of the many good ones.

I knit some socks and put them in a box and sent them to my brothers two, then one to the cash, and said to my brother, 'For that's a job no wife should choose. I mend his socks at any time, so that wouldn't bring me in a dime. I've wondered what on earth he do. Was ever one in such a stew? At least a bright thought came to me. I wondered why it had worried me. Why should I not sell things to eat? For raising cash, that's hard to beat. And so some little things I made, And raised my dollar for the Aid. By selling these for hungry men: So here's my cash, and now, Amen.

The ladies will hold a Pantry Sale and Tea in the King Edward Samson Room, on Saturday, May 22nd. It is hoped to make enough funds at this Tea to purchase a Flag for the Golf course.

The Committee requests that all members, if possible, pay their fees to Miss Brown, the secretary, or to the local bank. Those members in good standing before June 1st, as the grass will shortly have to be cut and all available funds required.

The following is the Fixture Card for the season. Members should cut this out and keep it for their own use. May 26th—President versus Vice-President. Match play.

June 9th—Monthly handicap competition for prizes.

June 15th—Ladies' foursome.

June 20th—One club competition.

Sept. 1st—Captain versus Vice-Captain. Match play.

Sept. 12th to 15th—First round for championship cup and consolation medal.

Sept. 19th to 25th—Semi-finals for championship cup and consolation medal.

Sept. 26th to Oct. 2nd—Finals for championship cup and consolation medal.

It is considered proper for a minister to kiss the bride after a wedding, providing he doesn't wait too long after.

A skull half an inch thick was unearthed in Ontario and has been sent to Ottawa without the formality of an election.

"To increase your physical assets take up golf and angling," says a health writer. "We're notified that these sports also increase one's living abilities."

A man recently ate supper and slept in his flyover all night. The next morning he died of ptomaine poisoning. Never leave anything in a car overnight.

Under the new 1926 traffic rules, if a motorist catches a pedestrian on the first bounce he's out.

Some hair restorers are guaranteed to grow hair on a door knob, but who wants hair on the door knobs anyway?

I stand and beg for entrance day by day, I never leave, I do not fly away; I stand right where I stood, long, long ago in a new town every passing hour. I hold forever, Fane, Honor, Power; and all who will can have whatever they will, but they must know first Industry, then Skill. I come but once to all who will not see, the blind the pessimist find not me, except in form unattractive, low and mean. But such men have eyes, but bereft of sight; and ears have they, but cannot hear aught. They say 'I come no more, but it's not true—I change my form and come each day anew. I am opportunity.

Men are like chairs; they vary in shape and size, but all can be sat on. Some men are like mahogany chairs; they lose their polish after a little while. Some are like chipboard chairs; they need delicate handling. Some are like plush upholstered chairs; one cannot stand them on a hot day. Others are like parliamentary seats; they have to be worn. Some married men are like deck chairs; they are always being dragged about. And, finally, most men are like rocking chairs; they put you to sleep.

If anyone thinks that dancing a hundred and twenty-five hours is terrible, consider Bobby Hamby, but let him listen to a hundred and twenty-five hours of saxophone playing.

SCOUT NOTES

The street was thronged with people on Saturday night. Suddenly a woman's cry was heard. "Give me air," she shrieked. The people gasped and stood aside and a woman trippingly drove her car, with one flat tire into Arnold Motors.

A go-getter isn't one who runs out of gas two miles from a station, goes to Jean Groux. A go-getter is one who gets mad at his sweetie a few days before Christmas, gives her no present and goes and gets her back December 26th.

FIRST STRATHMORE TROOP BOY SCOUTS

All the plans for the boys taking in the rally in Calgary on May 24th except the committee handling the money, have been turned over to the Committee in charge for the day.

The Strathmore Troop will be attached to the 10th Calgary Troop for the rally and the boys are assured of a good time.

LORD DESHEROUGH

Famous English peer, who is one of the committee handling the money for the collection of debts due to Great Britain from several of the States of the Union, some dating as far back as 1828.

FIFTH ANNUAL TOUR TO THE PACIFIC COAST

Special Train Leaving Winnipeg July 5th, via Canadian National Railways. Entertainment. Provided at Various Points of Interest en Route.
PERSONALLY CONDUCTED

Following the close of school for the summer holidays, the Canadian National Railways will again operate its popular "personally conducted" tour to the Pacific Coast. This will be the fifth of such tours.

This mode of travel has many advantages. In the first place, it is planned with a view to including in the itinerary the most interesting points, which, with the other arrangements that are made, obviates the necessity of the passenger worrying about connection, sleeping car accommodations, meals, and entertainment en route. This is all done in advance by experts, leaving the passenger free to enjoy to the full the scenery and attractions attendant to such tours.

The tour this year will commence at Winnipeg, from which point a special train of modern sleeping car equipment, dining car and radio observation car, will leave July 5th. After stopping at various points of interest, the train will arrive at Prince Rupert on July 10th. At this latter point the party will embark on a palatial steamship for a cruise of 550 miles through the famous "Inside Passage" to Vancouver. While the tour terminates at Vancouver, those who desire to make a trip to Victoria may have their tickets read "Victoria" as their destination without any additional cost.

The local agent of the Canadian National Railways will be pleased to give you full particulars of this tour.

ROCKYFORD UNITED CHURCH NOTES

Owing to Mr. Rogers being in Edmonton attending the sessions of the Annual Conference, services at Crawford, Jarvis, and Rockyford have been withdrawn. Mr. Rogers hopes to give a full report of the Conference the following Sunday.

Mr. Ralph Dyer is the lay representative to Conference in place of Mr. D. R. Garrison, who is unable to attend the sessions.

EUCARISTIC CONGRESS, 1926
The Greatest Event in the History of the Catholic Church in America

C.N.R.s, To Operate Special Trains from Western Canada.
Of unusual importance to Roman Catholics is the 28th International Eucharistic Congress, which will be held in Chicago, Ill., June 20th to 24th next.

The Church dignitaries are duly appreciative of the efforts made by the Canadian National Railways, who have arranged to operate special trains to and from the Congress, and have also made reservations for several hundred people in room hotels at a reasonable expense, and ask their people to make application promptly for the necessary sleeping car and hotel accommodations prior to arranging the train service so that the proper departure time from the various centres would be ensured. Those who desire to use the regular service have the privilege of travelling through the train which is operating during the summer season from Western Canada to Chicago.

Any agent of the Canadian National Railways is pleased to give you further particulars and complete all arrangements.

BOUNTIES

The Council of the Municipal District of Grasswood, No. 218, have decided to pay a bounty on crows, magpies and gophers on the following scale: 5c for every crow and magpie, 2c for each gopher.

The counting and paying will be done through the schools.

In addition to the above there will be prizes given.

For further particulars see your school secretary.

E. W. PUST, Secretary-Treasurer

ROSEBUD

Sunday, May 9th, the largest congregation ever seen here met at the church to hear Rev. Father's Mother's Day sermon. Mr. Halstead has been secured as the resident preacher for Rosebud district. He will hold services at Kirby and C. X. school beside the Rosebud church.

The Ladies Aid met at the church Saturday evening to decide what to buy for the new Masses.

Mr. and Mrs. Henry Rogers and family are leaving town for the south.

Mr. and Mrs. Detweiler were guests at the Hyman home Sunday as were Mr. and Mrs. Bestel and children.

Walter and Howard Hyman and Miss Dorothy Roberts were week end visitors in Calgary.

Many attended the Illustrated Travels at the church Monday evening. The slides picturing scenes along the Mediterranean and Holy Land were loaned by the C.P.R.

The Municipality have a new big road grader being used with a big caterpillar engine, grading the roads north of town.

Geo. Gow has graded three miles of road near his home.

The Hansons, who were on the Shultz farm, have gone to B.C., and the Shultz's are farming their own land.

Friends will be interested to know that Mr. Fred Stanley was married to Miss Campbell in Missouri recently.

The Grasswood school has planted several hundred trees around the school, and the pupils have planted perennials, so expect to have the school grounds much improved.

ROCKYFORD

Water arrived in the irrigation canal on May 18th.

Crops in the district are looking well, but a good rain would be a great benefit at this time.

On May 22nd, the Ladies Aid will hold a pantry sale at the Poole Hardware Store. You are advised to come early as tickets will be received by phone orders.

On May 12, Mr. and Mrs. McGee and Mrs. Poole catered the Ladies Club to a most delightful lunch. There were about forty guests present, and a most enjoyable time was spent.

Mrs. Dyer and Mrs. Ambrose Wiles were the hostesses on May 12 at a lunch to the Ladies Aid at the passage.

The Ladies Club are holding a dance on June 18th. Special efforts are being made to pay off the debt on the curtain and fixtures in the hall, and all proceeds will be devoted to this purpose, so keep this date free for the dance.

Mr. Harvey Wady, who only recently came out of the Holy Cross Hospital, says: "We are sorry to say, had a relapse and been again admitted. We hear that he is progressing as well as can be expected."

Jake Stahl tells me that another half section has been added to the west colony of the Hutberites.

The Rev. Father Cosman, of Blain, is at present on a visit to Rev. Father Bolla.

BAINTREE

On Tuesday, May 18th, the first of a course of military lessons was held at the home of Mrs. W. A. Lyons under the direction of Mr. J. Romni. Mrs. Rennie was an experienced milliner before she came to this country, and also taught classes in Glasgow. The many helpful hints gleaned at her introductory lesson show of what value this course will be to every woman. Every woman in the district is invited to attend, whether they belong to our U.F.W.A. local or not. Just bring thread and needle and join us.

Don't forget the lady call at two. J. Goldrey home on the night of May 22nd. It will cost you ten cents.

The regular meeting of the U.F.W.A. will be held at the school house on Saturday night, June 5.

At the home of Mrs. O. Olson Wednesday afternoon, June 2, the U.F.W.A. will meet. At our last meeting we received three new members, Mrs. L. Wiles, Mrs. B. O. Wyman and Miss Grace Mungall.

A tea, sewing, and home cooking sale will be held on Saturday, June 12 at Rockyford at McLean's in the old Rockyford Cafe. Some very pretty and useful things are being prepared by the ladies, not to mention the delicious pies and cakes. There will also be home-made ice cream.

On Saturday evening, May 15th, the B. O. Wyman home was the scene of a party on the occasion of the sixtieth birthday of Karm. A large number of people from the surrounding district danced until twelve, to music given by Miss Kenworthy and her two brothers, a violin, Hawaiian guitar, banjo, accordion, and piano by Mrs. Wyman, who also added great pep to the music with her jazz band.

The guitar solo by Miss Kenworthy was greatly appreciated. Miss Scott also favored with a sword dance, and several readings. The refreshments, ice cream cones, cakes and lemonade were enjoyed by all. We hope it will not be long until Karm's seventeenth birthday, and that these talented musicians will be with us again in the very near future.

The Community Club met at the home of Mrs. T. Longbottom on May 18th. Quite a number of members being present. Mrs. W. Kellen joined the club. Mrs. Glendinning, of Strathmore, was a visitor. It is hoped that the floor of the hall will be ready for dancing on the next day, which is to be held on June 18th. It was passed that any member missing three successive meetings will no longer be

(Continued on another page)

STANDARD

The Danish Lutheran Church at Standard was the scene of a pretty wedding on Friday, May 14, at 4 p.m. when Carl Marie Jonsson, eldest daughter of Mr. and Mrs. Hans Castella became the bride of Mr. Sigfred H. Sanderson, the Rev. Kjeller officiating.

The bride, who was given away by her father, made a charming picture in her gown of ivory satin with trimmings of rhinestone buttons, a dainty veil of embroidered tulle, with wreaths of myrtle and a beautiful bouquet of Opheelia roses completed her costume.

Her attendants were Miss Anna Rasmussen, who, as bridesmaid, wore a becoming jade green georgette frock, and her sisters, the little Misses Esther and Edith Castella, acted as flower girls, and wore dainty peach dresses, and carried baskets of sweet peas, which were strewn in front of the bride's procession.

After the ceremony, which was largely attended by the many friends of the bride and groom, a large reception was held at the home of the bride's parents, and later a dinner was served.

Mr. and Mrs. Sanderson will reside in Standard, and we extend to them our best wishes for many years of happiness and prosperity.

Mr. and Mrs. Wm. Jydale and Mr. and Mrs. Floyd Orban were visitors to Calgary last week. Mrs. Orban's little girl was having her arm removed from the cast in which it has been ever since her accident, some time ago.

Mr. and Mrs. L. F. Pringle and son Wallace, of Lacrosse, were week end guests at the home of their daughter, Mrs. F. D. Knowlton and Mr. Knowlton. While in Standard they visited many old friends, and renewed old acquaintanceship.

Mr. Hugh Farthing spent the week end at the Cochrane races. Mr. Bill Shocheton accompanied him as far as Calgary on Thursday, and returned by train on Friday.

Mrs. Jens Jensen left on Sunday morning via Glenora, for a prolonged visit to Denmark. She will sail from Montreal on the Melita on May 19th.

The Canadian Girls in Training held a picnic last Saturday afternoon. After enjoying a splendid picnic lunch at which roasted wieners were the chief attraction, they played games and had other sports until it was time to return home.

Mr. and Mrs. E. Christensen and family were visitors to Calgary last week.

Mr. Arthon Rasmussen was a business visitor to Calgary last week.

Mrs. L. Christensen and Master Freddie Christensen and wee Joyce spent a few days in Calgary recently.

BOWLING

On Saturday night the boys were bowling at Bobbie Hanbury's. Mark Croft dropped and ran up a score of 99. He was feeling pretty fit and thought he would give the spectators something to talk about for a few days, and also prove that he is just as fine a bowler as Eddie is a pitcher, and furthermore, to keep the second generation of Croftline under control, he ran up a score of 135 out of a possible 150, establishing a record for the Province of Alberta.

STRATHMORE WINS BASKETBALL GAME

The Strathmore High School girls motored to Arrowwood on Saturday to play basketball. The score was 17-6 in favor of the visiting team. The line-up was as follows: Arrowwood—Viva Ingraham, centre; Maudie, Trutzel and Hazel Norton, guards; Verna Ingraham and Annie Lyle, forwards. Strathmore—Mildred Marcum, centre; Esther Stetson and Nora Chamberlain, guards; Florence Garrett and Mrs. Atkins, forwards.

DONATION TO SCHOOL FAIR

We wish to acknowledge a donation of \$10.00 from the Crown Lumber Co. towards the School Fair Prize Fund.

HIS REASON

A ten year old boy, writing about his favorite ball player, Pitcher Walter Johnson of the Washington Senators, says: "He pitches his best all the time, whether he is winning or losing. He plays a clean, square game all the time. He is the same kind of a fellow off the field as when he is on the field. He lives a clean, healthy life, which helps him in anything he does. He does not take all of the glory, but gives others their share. That is why he is my favorite player and I will always try to be like him."

GOLF

Jaeger became famous last season for its golf and Col. Rogers reports that local residents have been enjoying the game on the 18-hole course, operated in conjunction with the Lodge since the end of February without a break.

BASEBALL

Manager Hill has succeeded in securing two good teams for the tournament on May 21st. One game will be played at 2 o'clock and the other at 6 p.m. The old-time rivals, the Carlsbad Cubs, will be here in all their glory, and Fortner says there is nothing to it but coming over and coping the big prize money. However, with Eddie Croft back in form again, manager Hill says he has not a doubt about where the prize will be delivered. He says he feels kind of guilty to bring them over, thinking they have a real chance to win. However, he is a little anxious in regard to what he will have to face in that East Calgary outfit. If they would come down with their regular team, it would be alright. Just remember the Sunday game! Why, we thought we were going to play the Premier Motors, a shop team and when they straggled out on the diamond, why it was the White Sox supplemented by Premier Motors.

Now that they know we have a real ball team they may pick up a team selected from the Calgary City League. "Well! What will happen then?" asked the Standard. "Nothing," said manager Hill. "The boys are playing good ball, and if Ireen can get his old swoosh in good shape, all I got to say is, let 'em come, and we will be there at the finish."

In any event, the baseball fans are in for a good time though manager Hill may be worrying himself "cuckoo" in regard to the material that he will have to face.

A big bunch of Carlsbad rooters are expecting to come with the team so in all probability a pleasant time will be had.

The Carlsbad Jr. Cubs met the Strathmore Midgets on Friday night in Strathmore, and were defeated 12 to 11. The youngsters gave a good exhibition, and those present were delighted with the exhibition.

The following players represented Carlsbad—Tudor c. R. Moore p. Field 3b. Pakenham 1b. Haskayne 2b. Gibson 3b. Woodrow cf. Gibson lf. Melendy rf. Voigt cf.

Strathmore—Cleeve c. Giroux p. Gardner 1b. Rollinger 2b. Gray 3b. C. Giroux ss. M. Moran cf. McGregor lf. V. Moran rf.

Arrangements have almost been completed for the forming of a senior baseball league with teams from Carlsbad, Glenview, and Strathmore.

The Strathmore baseball team will have a team in the tournament at Standard on July 1. The competing teams will be Hussar, Carlsbad, and Strathmore. Manager Hill was lucky and gets the bye game.

STRATHMORE DEFEATED STANDARD SUNDAY

Sunday afternoon the Strathmore ball team played the Standard team in Standard, coming out victors 12 to 5. The game was fast, and a fine crowd present. Eddie Croft fanned 12, while Miller whiffed ten of the local spectators.

Strathmore—W. Gray cf. White 1b.

CRICKET

On Saturday afternoon the local team was defeated by South Calgary A. The visiting team was late owing to the road being newly gravelled, travelling was slow. S. Taylor's score of 52 and Bob White's bowling featured the team play.

After the match a general meeting was held. New officers being elected. The following will officiate for 1926 season:

President—H. R. Chamberlain.
Vice-President—J. Keat.
Secretary-Treasurer—W. G. Knyvet.
Captain—W. G. Knyvet.
Vice-Captain—Dr. Simmonds.
Executive Committee—Messrs Chamberlain, Keat, Knyvet, H. Wooster and R. A. Lambert.
Grounds Committee—H. Sorenson, P. Wright, W. Knyvet.
Selection Committee—Dr. Simmonds, W. G. Knyvet, and A. Mercer.

The regular practice night has been changed to Wednesday. It is hoped that large numbers of members will turn out on Sundays in future so that a match can be played.

Members are advised to keep this as reference.

On May 24 an all day match will be played on the local grounds with the St. John's team, when another enjoyable game is looked forward to.

A FARM SCENE IN ALBERTA

The Resources of an Empire!

For Present and Future Development in the Province of Alberta

DAME NATURE has been kind to the Province of Alberta. No Province of Canada occupies so strong a fundamental position as Alberta, with its great wealth of agricultural and other resources, the development of which has only just begun. Surely then, with so sure a basis for faith and confidence in the future, the people of Alberta need not hesitate to face the problems that arise, nor to join in the shoulder-to-shoulder movement for the intelligent promotion of the development of these great resources. Knowledge of these resources is all that is necessary to create confidence. It is for this reason that this newspaper presents below a brief review of Alberta's wealth and possibilities.

20 Years of Progress in Alberta

	1905	1925
TOTAL VALUE AGRICULTURAL PRODUCTS	\$20,000,000	\$256,000,000
WHEAT PRODUCTION, Bushels	3,000,000	103,000,000
DAIRY PRODUCTS, VALUE	\$ 1,000,000	\$ 23,000,000
COAL PRODUCTION, Tons	931,000	5,800,000
MILES OF RAILWAY	1,000	4,800
POPULATION	200,000	640,000

AREA—254,000 square miles, twice as large as the British Isles, larger than France or Germany. Population 2.3 to the square mile, compared with 398 per square mile in the British Isles, 184 in France and 328 in Germany.

AGRICULTURAL LANDS—More than 60,000,000 acres of fertile lands capable of cultivation still untouched.

FREE HOMESTEADS—More than 15,000,000 acres of land still open for free entry.

IRRIGATION LANDS—One million acres now under irrigation, three million more capable of irrigation.

COAL—Largest coal resources of any similar area in the world. Alberta has 14 per cent. of the world's coal reserves; 72 per cent. of the British Empire coal reserves and 87 per cent. of Canada's reserve.

NATURAL GAS—Four large fields now operating, supplying four cities and several towns with gas fuel.

OIL—Two producing fields, one containing the richest producing oil well in the world, bringing in 15,000 barrels monthly of almost pure naphta, in the Turner Valley. In the Wainwright field wells producing 80 to 150 barrels a day crude petroleum, other wells promising. Other fields being developed.

TIMBER—60,000 square miles of merchantable timber, including 270,000,000 cords of pulpwood.

TAR SANDS—15,000 square miles of rich tar sands, suitable for paving material or oil extraction.

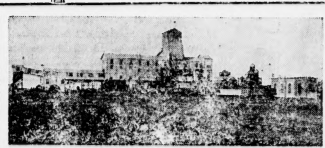

OTHER MINERALS—Include salt, bentonite, clay for ceramics, building stone, etc.

WATER POWER—Utilized and available estimated at 1,750,000 horse power.

FISHERIES—Extensive commercial fish possibilities. Annual production valued at \$400,000.

FURS AND GAME—Annual value of furs and game over \$2,000,000.

TOURIST ATTRACTIONS—Three big mountain parks, including some of the most famous mountain resorts and scenery in the world.

AN ALBERTA COAL MINE

This page is published by this newspaper as part of a united effort by the Alberta Press Association to place before the people of Alberta the strong fundamental position of this province, her progress to date, and the great possibilities for the future.

Barrister, Solicitor, Notary
has moved his office to the
Town Hall.

BAINTREE NOTES

(Continued from another page)
considered a member, unless absent
through illness, or satisfactory explana-
tion given. A pleasant afternoon was
spent by all.
About forty dollars was taken at the
Apron Sale held on Saturday evening,
May 15th, at the school house. Mr. D.
Ever bought one of the quilts made
by the members of the club, and Mrs.
Idna Rose drew the lucky number for
the crazy quilt game.
Miss Alice Douglas, who is a pupil
of Miss Joan Gould, favored the com-
pany with a Highland Fling and the
Charleston. The remainder of the
evening was spent in dancing. Lunch-
on was served by the ladies.
The next meeting of the club will be
held at Mrs. Wm. Biggs.

LET US KEEP YOUR HORSES FIT

We have everything in
Condition Powders,
Liniments, Colic Mixtures
Etc. They give results.

GOPHER POISONS

All kinds. Kill
the gophers and save
the crops. We recom-
mend "Ever Ready"
for best results.

LADIES ATTENTION

For that chapped
skin or for a real
cleansing cream we
have your favorite.

Let us help you
keep that "Skin You
Love to Touch"

Strathmore Pharmacy

BOW VALLEY U.F.A. CANDIDATES

On Saturday Don Plumer was nom-
inated as Chairman to carry on U.F.A.
banner against Jos. T. Shaw, and Fur-
rell, the Conservative candidate. This
promises to develop into a real con-
test. Each of the candidates is quite
confidently looking forward to a suc-
cessful fight, and the office boys tell
us that two of them are simply wild-
jumping. In the meantime you may
enjoy yourself selecting your favorite.
All the same horse race.

Slats' Diary

Friday—ma and Ant Emmy went to
city to buy birthday party outfit and
pa and me sticks at
home and made the yd.
and set sum ice cream
and enjoyed the evening.
Pa said he is beginning
to believe that Ely
Drake is telling the hon-
est truth on how old she
is. She says she is
thirty 6 yrs. old and she
has stuck to that same
story for eight yrs. now
so it seems it must be
so.

Saturday—a girl whose
name is Aggie was in
to are house this ev-
ening and she said she
got engaged to be married to a fellow
& she was asking pa did he believe in
long engagements. Pa said yes he did
because the longer you was engaged
the less time you had to be married.
Ma was back in the kitchen at the
time.

Sunday—Fokes from the city makes
us sick. Ma's cuzzin came to call on
us today and we sat her how did she
like the little town, and she replied
and answered that it looked a lot
like a senility one we going to
get lectric lites and we have pav-
ment on the sidewalks.

Monday—Moby I will get to join
the Boy Scouts and then we can talk
Hikes & then cum back and set in the
bed quarters and listen to the foot-
ball play in the new Griffins, and
listen to Freddie Dunn tell funny
stories, really he tells old funny yarns
and they are all true, maybe we've
have a hike to Calgary, I don't know.

Tuesday—Ma is down at Mrs. Brun-
ner house this evening. They seem to
be very good friends now. Pa says
they should get to be better they both
got left out of the same party last
week.

Wednesday—Mrs. Giffen told ma to-
day that her niece was very badly
marrried and that her husband was
about to die of her.

Thursday—Pa boyd off from work
today, he was sick and Dr. Moore said
they wasent want Gustrik Juice in
his stomach. Ant Emmy said they
better send me down town and see if I
cud buy for him at Macleod's, one
she bot it was awry Xpamiro.

CARSELAND

Over at the Chateau, Tony Grogan
was boasting about how cool and col-
lected he always remained in an em-
ergency. "Why," said his boy, "I wish
I had been asleep for a couple of
hours, a fire alarm sounded, I lighted
a cigarette, didn't like the knot in my
tie, so I cut it, once I did, find they
marched out quite coolly to where a
score of excited guests were standing
on the opposite side of the street from
the burning hotel. Laughingly I told
them there was nothing to get wor-
ried about." He would have gotten
away with the story only that Harold
Smith had been given another version
of the story by Kenny, who had also
made his escape from the burning
building. "Ken," said Grogan, "thought
Ma had made good with his bluff of
coolness, until one of the party re-
marked that it is all very fine Tony, but
why didn't you put on your pants?"

The committee that has the sports
day program in charge, held a meeting
last Wednesday night with a full at-
tendance present. The arrangements
are being shaped into order, and a
day of real recreation is assured. The
hills are already out, but give only a
small portion of the attractions. June
3rd should be a red letter day for
Carseland community, and the cause
deserves the support of everybody.

Seeding is practically completed,
and many of the hay with seedlings
showing. Much grain seems to be com-
ing up spotted and uneven on account
of the long dry spell.

There is at least one man in the
community who has great faith in the
old fable of the district. He is aware
he has discovered oil of high quality
near the surface. All applications for
shares in the prospective company
should be addressed to Jim Nelson.

If the ball played by the home team
last Sunday is a sample of the game
for the season, we may look forward
to some real enjoyment in ball games
this summer. We hope the team does
as well when lined up against a real
ball team.

At a fairly well attended what a post
meeting last Saturday, a new set of
officers were elected for the coming
year. L. A. Phillips, chairman, and
Alfred Anderson, secretary, with a
board of five members for directors.
A set of by-laws was also adopted.
Quite a lengthy discussion took place
over some literature from central office
also the advisability of the best
method to select a delegate from our
widest pool district; being finally de-
cided to elect a local man and pledge
him our support on the post card bal-
lots. This man to be a representative
of the locals in the district, and I
elected to support their wishes at the
annual convention.

The play presented by the Carsel-
land Dramatic Society on May 7, was
presented to a packed house, well pre-
sented by the performers, and ap-
preciated by all. Any writings that we
can give falls so far short of doing jus-
tice to players individually, and the
performance as a whole, that we will
only mention that the community sup-
port was so good that the cash turned
into the half fund reached the magni-
ficent sum of \$115.50. The only regret
is that we can't have more treats of
this nature.

The U.F.A. meeting that was to
have been held last Saturday night,
but owing to the lateness of the what
pool meeting, was called off, but will
be held next Saturday night, May 22.

There is being arranged a baseball
game between Carseland business men
and the U.F.A. to be played May 20.

Remember, "Behind the Front" next
Saturday night at Memorial Hall.
Regular prices.

Tenders close May 26 for painting
Memorial Hall.

Fred J. Dunn will be glad to furnish
full details regarding the plowing
match, which will be held on June 16
at Foster's farm.

Next Wednesday, May 26, a public
meeting will be held in the Memorial
Hall to make further arrangements
for the Stampede in July. Don't for-
get to attend and help the boys put it
over bigger and better than Ever-
more.

THOMAS CANTLEY, M.P.
During the debate on the Maritime
Rights Commission he desired these
words in strain for accession, and
warned Parliament that Nova
Scotia might become another Ire-
land if the demands for considera-
tion were ignored.
